JOHN OF THE CROSS was born in 1542 at Fontiveros in Spain. He entered the Carmelite Community and was ordained a priest in 1567. Renowned for his wisdom and sanctity, he died at Ubeda in 1591. His writings are not only classics of spirituality, but also of Spanish literature. His best known books are The Ascent of Mount Carmel, The Dark Night of the Soul, and The Living Flame of Love.

**Contemplating Life and Death**

Benjamin Franklin has been quoted to say that there are only two things certain in life: death and taxes. While much can be said about the latter, let us focus on the former, namely, death. Cardinal Collins in his *Pastoral Letter on Stewardship*\* asserts that “the thought of death is spiritually fruitful, as it forces each of us to consider our priorities.”

As we approach the end of the liturgical year, the Mass readings point toward Christ’s Second Coming and the end of our earthly life. Through the contemplation of our limited time on earth, we can ask ourselves if we are appropriately using our gifts to serve Christ in the poor and our neighbour. One great gift we can share is that of our time. Cardinal Collins says that, “we can use our time in this life to be selfish, or to be generous to others. The blessed used their time here to care for those in need.”

Two practical ways we can effectively and generously use our time is in prayer and active presence with our neighbour. It is primarily important to spend time in prayer, in order to begin to know, love and worship God and come to understand His love and mercy for us. Consequently, with the fire of God’s love fostered through our time in prayer, our time spent with others will be more fruitful, as it will now be God’s love within us reaching out to others. So as we journey with our eyes fixed heavenward, let us generously give our time to God and our parish community.

**For prayer is nothing else than being on terms of friendship with God.**  
St. Teresa of Avila

*We at JCYM believe a revolution is happening. And we believe that this revolution is taking place in our Church, in our homes, in our schools and in our workplaces. It is a Catholic revolution, it is a generation of teenagers, parents, young and old alike who are rising up to proudly live their lives for Jesus Christ. The LIFE TEEN ministry at St. John of the Cross is a small part of this larger movement that extends far beyond the walls of our parish. LIFE TEEN began as a ministry in 2005 in Arizona & has since spread through North America; guided by the Holy Spirit through the intercession of Mary, drawing strength through the Holy Mass & Eucharist.*

## CARMELITE MOMENTS

### ST. ELIZABETH SETON

Elizabeth Ann Bayley was born in New York City on August 28, 1774 to a prominent Episcopal family, and lost her mother at the age of three. In 1794, at the age of 19, Elizabeth married William Magee Seton, a wealthy businessman with whom she had five children. William died of tuberculosis in 1803, leaving Elizabeth a young widow. After discovering Catholicism in Italy, where her husband had died, Elizabeth returned to the United States and entered the Catholic Church in 1805 in New York.

After a number of difficult years, Elizabeth moved in 1809 to Emmitsburg, Maryland, where she founded the Sisters of Charity of St. Joseph's, the first community for religious women established in the United States. She also began St. Joseph's Academy and Free School, planting the seeds of Catholic education in the United States. Her legacy now includes religious congregations in the United States and Canada, whose members work on the unmet needs of people living in poverty in North America and beyond.

Mother Seton, as she is often called, was canonized on Sunday, September 14, 1975 in St. Peter's Square by Pope Paul VI. She was the first citizen born in the United States to be given the title of "Saint." Her remains are entombed in Emmitsburg in the Basilica at the National Shrine that bears her name.

*St. Elizabeth Seton, pray for us.*

## RITE OF ACCEPTANCE INTO THE ORDER OF CATECHUMENS

We will have the Rite of Acceptance on November 30th, 5pm Mass for our adult and children candidates. It is a rite in the Catholic Church for those who are inquiring about the Catholic Faith and have journeyed during the Period of Pre-Catechumenate.

The rite that is called the rite of acceptance into the order of catechumens is of the utmost importance. Assembling publicly for the first time, the candidates who have completed the period of the precatechumenate declare their intention to the Church and the Church in turn, carrying out its apostolic mission, accepts them as persons who intend to become its members. God showers His grace on the candidates, since the celebration manifests their desire publicly and marks their reception and first consecration by the Church.

From this time on, the Church embraces the catechumens as its own with a mother's love and concern. Joined to the Church, the catechumens are now part of the household of Christ, since the Church nourishes them with the word of God and sustains them by means of liturgical celebrations.

## PRIME TIME CLUB

## SHEPHERD'S TRUST COLLECTION

As members of our Catholic community, we regularly benefit from the tireless service of our priests. They have been instruments in living out a "faith in action." The Shepherds' Trust supports our priests to help them live their retirement years with dignity.

The Shepherds' Trust collection this year will take place in all parishes in the Archdiocese during the weekend of November 16-17. As well, please consider remembering The Shepherds' Trust in your will.

This trust fund is a tangible way to care for those who cared for us and to give thanks for the blessings we have received through them.

*Your generosity is greatly appreciated.*

## Method of Practicing the Presence of God from Brother Lawrence of the Resurrection

Speaking humbly and lovingly with Him all the time, at every moment, especially in times of temptation, suffering, aridity, weariness, even infidelity and sin.

The practice is an application of our mind to God, or a remembrance of God present, that can be brought about either by the imagination or the understanding.

During our work and other activities, even during reading and writing or religious exercises-no matter how spiritual- we must stop for a moment, as often as possible, to adore God in the depths of our hearts, to savor him.

*The habit is formed by repetition of acts and frequently bringing the mind back into God's presence....conversing with God everywhere, asking him for what is needed, and rejoicing continuously with him in countless ways.*

## LECTIO DIVINA with CARDINAL COLLINS

**Lectio Divina** ("divine, or sacred, reading") is the name given to a spiritual tradition among Christians over the last two thousand years, in which *they attentively and prayerfully read the word of God.*

Although there is an element of study in "Lectio Divina", it is not the same as Bible study, or exegesis, where one seeks to interpret the sacred text through analysis, and with the help of the work of scripture scholars.

In Lectio Divina we seek not to master or grasp the sacred text, but rather through it, prayerfully and silently, to come into the presence of God. We seek to be humbly attentive to God's Holy Word, to savour it, and to let it enter into our heart as much as our heads, so that it may transform us.

Lectio Divina is not intended to increase our intellectual knowledge of the Bible (though it also has that effect); instead, it is intended to draw us closer to God, and to transform our attitudes and behaviour.

Archives of Cardinal Collins Lectio Divina videos are at <https://www.archtoronto.org/lectio>
